

The children had various exposure in and outside the state in different occasions to show case their talents. Places like Delhi, Odhisa, Shillong and Imphal were visited to represent Nagaland in Sports, Cultural Items and participated in Festivals.

Children from Nagaland on invitation of National Trust gave a memorable performance at Shilpotsav, Dilli Hast, Delhi

The ADIP scheme from the MSJ was approved for the year 2011-12 and was carried out in all the 8 former districts of Nagaland with the help of different districts DC and the Administrati-ve heads, Red Cross , NGO's and o t h e r officials. We are very glad to say that though it was a tedious exercise which was conducted in a span of two months but very fulfilling, and I acknowledge that without the help of different NGO's ,Administrative heads this exercise could have been a failure.

The school being our pilot project- we had

the privileged to appear the HSLC exam this year and out of 16 student appeared, 15 Qualified among which 2 got distinction marks and 4 were placed in A grade and 11 in B grade.

The organisation is very keen in bringing

about a change in the society, especially in the **attitude change**. We do hope that with the support of the government and the civil societies **we will try to make it possible and break all impossible barriers and truly make our world a better place**- a place with hope fulfilled and overcoming life from all hurdles and barriers, ***a place were inclusive is in all sphere of life.***

Thankyou.
